COLLECTION.

Three Hundred and Ninety-six

Modern School.

This sale is occasioned by the death of JOHN KNOEDLER, and is made by order of the administrator, heirs, and surviving partners. The reputation of the house of M. Knoedler & Co. is such that it is unnecessary to commend the master works to be sold, the announcement of the sale being sufficient to command the attention of connoisseurs. Moreover, the parties in interest, retaining their legal rights, have pledged themselves to refrain from making purchases at the sale or restricting it in any manner. Thus the opportunity is, in the fullest sense, a great one.

EPPS'S COCOA

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by securing ourselves with fortified with pure blood and properly nourished frames."—Dr. J. C. HENRIE, Canada.
